Dear old Sin-fon-i-a! Harmony of thought, Dear old Sin-fon-i-a!

Bass I  
Bass II

U-ni-ty is wrought May mu-sic swell Wher-e'er we dwell for

Dear old Sin-fon-i-a! Let us her prais-es sing,

Her halls with ech-oes ring, To her our tribute bring, Sin-fon-i-a!

Dear old Sinfonia!  
Members old and new,  
Dear old Sinfonia!  
Brothers always true.  
And when we meet  
With voices greet  
Dear old Sinfonia!  
Long may this dear old word  
Throughout the world be heard  
So will our hearts be stirred,  
Sinfonia!

Dear old Sinfonia!  
Brothers come and go  
Dear old Sinfonia!  
May we ever know  
When race is run  
And crowns are won  
Dear old Sinfonia!  
Our mem'ries ne'er shall fade,  
To friendships we have made,  
All honor will be paid  
Sinfonia!
