**SINFONIA
EDUCATIONAL
FOUNDATION**

ANNUAL REPORT

FROM THE DESK OF THE PRESIDENT

On behalf of the Board of Trustees of the Sinfonia Education Foundation (SEF), I am pleased to provide you with this copy of our Annual Report for 2004-2005, a year that ushered in a number of positive changes and, in a very real sense, launched us confidently into the future. With your help, we achieved a record-breaking year in the number and amount of gifts, and every gift is another step

towards the achievement of our goals. Therefore, let me begin where most such introductions end: *thank you for your generous support.* The bottom line is quite simple—we could not succeed—indeed, we could not exist—without you, and we are grateful for your interest and involvement.

Over the last year, you and more than a thousand of your fellow supporters of the SEF, Sinfonians and friends alike,

donated over \$50,000 to further the outstanding programs and services that we offer. These gifts allowed the SEF to accomplish many things, which are outlined in the pages of this report. Whether scholarships, travel assistance grants, matching grants, or research grants, the important work of the SEF is making a difference in the lives of our collegiate brothers and in music in

America, and for this, all supporters should be very proud.

Perhaps most importantly, the Board of Trustees has taken the unprecedented step of hiring the SEF's first dedicated staff member. Our Director of Development will be charged with the day-to-day responsibilities for seeking additional sources of funds for the SEF, increasing our endowment and maintaining relationships with existing supporters. While the final interview process is ongoing as of the time of this report, we look forward to introducing you to this new staff member in future communications.

As always, an independent auditor reviewed the operations of the SEF, and copies of the year-end audited financial statements are available upon request from the National Headquarters.

I am proud to work with some of the finest people Sinfonia has to offer. To the Board of Trustees of the SEF, the National Executive Committee of Phi Mu Alpha Sinfonia Fraternity and other fraternity leaders, and the staff at the National Headquarters, thank you for your dedicated service to our respective organizations. Most of all, to you, the supporters of the Sinfonia Educational Foundation, thank you once again for your generosity. It is my fondest wish that you are proud of what we do as well, for you truly are the biggest part of it.

So let it be for the Sinfonia!

Warmest fraternal regards,

Jeffrey T. Spoeri, J.D., Nu Sigma '84
(William and Mary)

President
Sinfonia Educational Foundation

DID YOU KNOW?

336 individuals made their first gift to the SEF in Fiscal Year 2005.

Bequests are often a significant source of financial support for charitable organizations, and the Sinfonia Educational Foundation is no exception. Your gift to the SEF can help to continue the organization's commitment to enriching the lives of collegiate Sinfonians.

As you create or revise your personal estate plans, recall the many life-changing experiences afforded you by Phi Mu Alpha Sinfonia and help to ensure that future generations of Sinfonians will have equally positive experiences. Please consider including the Sinfonia Educational Foundation in your charitable plans.

ARE THEY IN YOUR WILL?

If you wish to include the Sinfonia Educational Foundation in your will, appropriate language is as follows:

I give, devise, and bequeath [the sum of _____ / _____ percentage of my estate / the residue of my estate] to the Sinfonia Educational Foundation (Federal Tax ID Number #61-0606272), a not-for-profit 501(c)(3) Kentucky Corporation, to be used by the SEF in fulfillment of its purposes as the Sinfonia Educational Foundation Board of Trustees shall determine.

This information is intended to be of a general nature only. We encourage you to consult with professional advisors concerning your personal estate plans.

DONATIONS BY CHAPTER

The Sinfonia Educational Foundation wishes to thank all individuals and organizations, members and non-members, who have made a recent donation to support its programs. The SEF's efforts can continue to grow only with your generous support!

The list of donors in the following pages is arranged by donors' initiating chapter, organized alphabetically by college/university. This list includes all those making donations in Fiscal Year 2005 (June 1, 2004 – May 31, 2005). Donors giving after May 31 will be listed in the next annual report, due in the December 2006 issue of *The Sinfonian*.

A GREAT REASON TO SUPPORT THE SEF SCHOLARSHIPS

Since just 1999, the Sinfonia Educational Foundation has awarded \$14,000 in much-needed scholarships to collegiate Sinfonians during a time of unprecedented increases in college tuition.

In order to be eligible for these scholarships, a collegiate Sinfonian must have a cumulative GPA of at least 3.3, making the applicants for these awards among the top students in their class.

A GREAT REASON TO SUPPORT THE SEF MATCHING GRANTS

Matching grants are offered by application to collegiate chapters and alumni associations of Phi Mu Alpha Sinfonia Fraternity in support of valuable local programs, such as musical festivals, residencies, symposiums, and the composition of new music by emerging and established American composers.

A GREAT REASON TO SUPPORT THE SEF TRAVEL ASSISTANCE GRANTS

In its very first year, this program provided \$1,000 to assist collegiate Sinfonians in attending the Fraternity's summer leadership Conclave. This event brought together almost 200 Sinfonians for four days of intensive education in leadership and personal excellence, diversity awareness, and musical collaboration.

These grants are restricted to collegiate Sinfonians in good standing, and each grant provides up to 50% of the total travel expenses of the applicant to the site of the Conclave in Evansville, Indiana.

The recipients of the 2005 Travel Assistance Grants for Conclave (L to R): West, Wells, Hoeltje, Hochgraefe, McNeal, Moreau

A GREAT REASON TO SUPPORT THE SEF RESEARCH GRANTS

Research assistance grants are offered by application to musical scholars, who use the funds to support some of the most advanced research in music today. Since 1969, over \$40,000 in research grants have been awarded for a wide range of topics, including historical research in such areas as African-American composers and musical activities, shape-note singing, and industrial bands, as well as studies in the areas of music therapy and music education.

DID YOU KNOW?

Your gift to the SEF could be matched by your employer. Simply check with the personnel officer of your company to inquire about corporate matching gifts. If your employer participates in this type of program, simply obtain the necessary form from the personnel officer and enclose it with your gift. The SEF and your employer handle the rest!

This year, one Sinfonia submitted a gift that was matched by him employer. Thank you to **Richard A. Lapinski and the Kellogg Corporate Citizenship Fund.**
